Elementary Going Out Permission Slip 2017-2018

We are planning on taking some short trips in the neighborhood (i.e. walks, grocery store, library, museums etc.).

In order for your child to participate, we must have a signed permission slip on file. This will allow us to make some of the trips spontaneous with an assistant or a parent as an escort.

Student's Name: _____
Parent's Name: _____
Signature of Parent: _____ <small>Signature</small> <small>Date</small>

This permission slip will be effective from the date signed through June 2017.

YES I can be a driver for these "Going Out" trips. I can be reached during the day at
